Executives Event Rules

The Executive event will be open to Black Belts, Ladies 35 and over and Men 40 and over.

THIS IS A COMBINED PATTERNS & SPARRING EVENT

Ladies and Men will compete separately with no weight divisions. Entrants in this event may also compete in the traditional Black Belt divisions if they wish.

The Pattern section will be run under European pattern knock-out rules, where two competitors will at the same time perform a pattern STRICTLY taken from the three for their next grading, the pattern considered the best performed by the judges, is awarded 2 Points.

In the Sparring section the winner of each 2 min bout will be awarded 2 Points, (1 point to each competitor in the event of a draw).

The event-draw will be made on the day. Depending on entry numbers, this may be a round Robin draw. Each competitor will compete in a minimum of 2 bouts of sparring and patterns.

The elimination round placings will be based on the overall points accumulated for wins in the Sparring and Patterns sections moving through the draw, based on 2 Points for every bout won of Patterns or Sparring, 1 Point for each drawn bout. Any competitor receiving a bye will also receive 1 point.

Each competitor's total pattern points and sparring points, earned for each bout, will be added up to give the 1st or 2nd, highest placed scores.

The two highest scores will compete a **FINAL**. This will comprise of 3 bouts; Sparring + Patterns + Destruction, competed consecutively, the whole order decided by the toss of a coin. Highest points across the 3 disciplines decides the Gold and Silver Medal.

There is only ONE Bronze Medal position, and in the event of a 3rd Place tie at the end of the elimination rounds, the Bronze Medal will then be decided on the same 3 bouts decision basis as the final competition above.

In the event of a Gold, Silver and Bronze medal position tie, the finalists will be weighed and the lightest awarded the win.
